

## Company Brief

### A – Introduction:

It is our pleasure to put in front of you our experience in **METAL and WOOD** industry (decorative and functional), under the laws of Saudi Arabia. The continuous dedication for quality and service is considered to be one of the major aims / plans that our company sustains over the past years.

We started as a humble workshop that developed to attain a trusted trade name in the market of METAL and WOOD works. We manufacture both decorative and functional Steel / specialized in wrought iron (Doors, fences, Gates, balconies, stair case, window grills, and in addition to other various ironwork) (More over we fabricate Both Aluminum and stainless steel work, including Elevations cladding. On the other hand we fabricate wood works. We design and submit shop drawings for our clients.

Our team work consists from different ranks combine and exist their outmost efforts (efficiently) to provide best quality and service, because we believe that "Customer satisfaction through quality and service are the keys to the Success Of Al-WATAD Company limited.

One of our specialized works is General Constructions where we submit for our clients Strength, Permanence and Beauty, those are the characteristics that our construction department attains. Currently we are working on under construction Projects as coffee shops and private villas, and we already submitted some projects.

A name you can count on...

We look forward to beat your service soon...
